Talkbacteria is a unique game from the Swedish developer Bastion, you probably already heard about it. In it, you can imagine yourself as a real microbiologist. You are one of the main characters of the game, you are conducting scientific experiments to create a new medicine that will cure humanity of deadly diseases. At each stage of the development of your character, you will be helped by friends, friends of friends, and so on. Your every step will be recorded by a micro camera. In the game itself, you are given the opportunity to choose any place for experiments, but remember that it is best to conduct them in places where there are no people. In addition, a variety of sources will be available to you, from which you can not only collect beneficial bacteria, but also purchase the necessary items for your laboratory. By the way, many of these items will be given to you when passing the level. The developers promise that after the game you will know what diseases we need to get rid of. Before starting the walkthrough of the game, you will be asked to play a mini-game. In the game, you will have to choose one of six previously favorite professions and try to create the perfect medicine. Depending on the profession you choose, you will be able to choose the amount of bacteria needed to create a medicine. The TalkBacterium free download program is a program that even has elements of causality and a certain childish spontaneity. Therefore, if for some reason you could not download Talk to Bacterium for Android, then in this case there is another way how to download games for phones for free. In order to download ToĐšbacterie for Android, you will also need to register first. For Android devices ToB - this game has absorbed all the best elements of its predecessors - the first cards for playing tic-tac-toe and winx. In this game you have to frolic to your heart's content with your favorite characters, who will also be unusual in their own way, as they are not like all other existing Winx games for Android. The game will be useful to any person, as a beginner
