The location of these channels is not fully known. The LCC family member P2X7 has also been implicated as a possible modulator of mAChR function. The P2X7 protein is a nucleotide-gated cation channel activated by various extracellular ligands, including ATP, and localized on both the plasma membrane and intracellular compartments ([@bib1]). Although the physiological relevance of P2X7 in the brain has not been fully established, it appears to play an important role in ischemic cell death *in vivo* ([@bib40]). During ischemia, the P2X7 receptor is overexpressed in the hippocampus and cortex of the brain, leading to its activation and subsequent calcium influx that causes changes in gene expression and subsequent neuronal damage ([@bib40]).

I've seen this used in several forms, but I can't find a clear answer. I'm not sure how it would translate into English—"to people" doesn't make much sense, for instance. "Gens" is used to refer to a group of people, like "le monde" for

The world famous flag of the country of your choice Technically amazing visuals Edit: So I was playing with the app trying to get the textures in my app's database, and this is what I found: A: Flag 3D Screensaver is not only for flags. It is also possible to use a 3D texture for any country. Also, you can combine several countries in one app. In the case of Flag 3D Screensaver, it isn't a problem to add custom countries because you can download the associated flag from the "Materials" menu. For example, the flag of the USA is stored here: The flag of Belgium is stored here: Flag 3D Screensaver doesn't seem to have the option to swap the location of the texture over each rectangle, though. One of Canada's leading independent craft spirits brand, One Keg, has announced the planned closure of its Erie (Ont.) distillery, and the plan to sell the operation as a single business unit to a large financial buyer. One Keg is a privately-owned craft spirits company that makes a variety of premium craft spirits such as Award Winning Three Sheets Rye, Little Pilot Distillery Whisky, and Saboteur Gin. The Buffalo-based company, which produces spirits in partnership with regional distillers, also distributes a variety of spirits to retail locations across Canada. In 2014, the company's owners acquired The Buffalo Distillers Company, a regional craft distillery located in Erie, and in May of that same year, celebrated the reopening of the distillery after four years of renovations. "This closure was a difficult decision to make," said Martin Burger, Co-Owner, One Keg. "It is in the best interest of our company to pursue a sale that will allow us to continue to provide the same exceptional craft spirit products to the marketplace, with the support of the same talented and dedicated employees we have employed since 2010. We are confident the company will continue to meet the increasing demands of our consumer base." Since opening its Erie distillery, One Keg has enjoyed phenomenal growth, with increasing sales
