cplus4eado Me and my brother didn't really understand what kind of strange music was playing in the house. At first we thought it was just music on TV, but then we heard how it is getting louder and louder every day. Finally, we realized that it was someone playing the violin. We found the one who played. It turned out to be the grandmother of our neighbor, an elderly man. She often sat on a bench near the house and played the violin. She was old because she had gray hair and her eyes looked like black dots.
