**Game Modes: Story Mode** The most complete and varied Story Mode has been enhanced with New Sudden Death mode, and new game play features like New Team Control Function and Reaction Commands. Each team will have a unique game play experience based on their team performance as well as their on-ball actions. New Sudden Death mode Teams will play a single game, and a team that is behind goal by the end of the game is eliminated. Team Control Function Give an order to a defender and see if it's actually followed. Change a player's position on the pitch and see if they get shifted into the right position. Using the "Boost" function, both playing forwards and defenders on the same side of the pitch can be considered as active, reducing the load on the CPU. Aerial Dueling Double tap the space bar to go into Burst or Shift. Reaction Commands Open the options menu by pressing the L2 button, select the "Menu" option and then change the kit colour or squad position of a player by double tapping the right stick. New Team Control Function The Tactical Screen remains in the same position while a player is moved, or the position of all 22 players in a team is adjusted by use of the "Boost" button. New difficulty levels Rugby and Beach Football have also been improved, with new fully customizable training modes. New difficulty levels Rugby Rugby includes a revamped training mode, with fully customizable training functions. The training mode allows you to play through a wide range of scenarios to improve your player's skills. Beach Football The Beach Football difficulty level has been upgraded to include new training features, including the ability to adjust the difficulty level of the game based on the hours of training you've played. FIFA Ultimate Team FIFA Ultimate Team gives you the opportunity to build and expand your dream team from the entire global player pool. Using Packs and Transfers, you can assemble your dream squad and then take it on the pitch in Fifa 22 Free Download. FUT Draft FIFA Ultimate Team Draft is a new feature that allows you to draft your dream team in 5 and 10 minute matches. In addition
